# TROPHY CLUB WOMEN'S CLUB, INC.

## 2020 SCHOLARSHIP INFORMATION

### Purpose

The Trophy Club Women's Club works as an advocate of higher education and seeks to encourage and support students whose goals include academic pursuits, talent development, and community service, and who exhibit a financial need to further the student's education.

### Awards

- Awards will be forwarded to the student's choice of college, university, or technical school. Funds will be applied toward **tuition and fees only**.
- Scholastic Achievement Award funds must be used within the following college freshman year. If circumstances warrant an exemption from this requirement, the recipient may request a review by the scholarship committee.
- In the event the recipient receives a scholarship covering tuition and fees from another source, the Trophy Club Women's Club award will be presented to an alternate student selected by the scholarship committee.

### Eligibility

- Students must be candidates for high school graduation during the current school year.
- Applicants must demonstrate academic achievement by earning at least a 2.5 (in a 4.0 system) GPA.
- Eligible applicants must be either:
  - Graduating this spring from Byron Nelson High School.
  - Be a current resident of Trophy Club graduating this spring from a Northwest ISD Academy or another local public or private high school.
  - Be a current resident of Trophy Club being homeschooled in such a way that the applicant will demonstrate the equivalency of a high school graduation this spring.
- Extracurricular activities (school, employment, community, etc.) will be considered, but are not required to receive a scholarship award.

### Application Requirements

- It is the applicant's responsibility to ensure that ALL requirements are completed, signed, and returned by the stated deadline. The applicants who fail to include any portion of the application packet or fail to adhere to specified requests will be disqualified. If needed, the scholarship committee may request a personal interview with the applicant.
- Printed application forms are preferred over handwritten. **Illegible forms will not be processed.**
- Do not include photographs or media information.
- Return original application with all signatures. If returning via email, please make sure you have all required signatures.
- Do not use staples, page protectors, or presentation folders.

The following **MUST** be submitted with the application to be considered:

- **Three letters of recommendation.** The letters must include one from a former instructor, and two from adults who have known the student for at least two years. **Do not use a relative as a reference.** The letter of recommendation is a separate file that can be emailed to the recipient or printed, and hand delivered. You are responsible for returning all 3 recommendations with your completed application.
- **Responses to two short essay questions.** A well-developed paragraph for each question is sufficient. The applicant should strive to express his/her interests, personality, ideals, and goals concisely and clearly. Responses should be brief--not exceeding 350 words per question.
- **An official copy of the student's high school transcript through the first semester of the senior year.** The transcript must be signed by the registrar or counselor and in a sealed envelope

2020 SCHOLARSHIP INFORMATION**

**Tips for Success:**

- Read all instructions very carefully – mistakes and omissions will affect your eligibility
- Request your letters of recommendation and sealed transcript right away to give everyone time to complete them.
- Have a mentor/parent review your application prior to submission
- Do NOT wait until the last minute to submit your application.
- Reach out to the sponsorship chairperson with any questions: Chasidy Murphy at [scholarships@mytcwc.org](mailto:scholarships@mytcwc.org)
